## *About Baker's Pride*

At Baker's Pride, Inc. we manufacture commercial products for the private label and branded needs of supermarket chains, convenience stores and the food service industry. Our products include fresh and frozen sliced bread, pre-packaged, bulk cake-style and yeast-raised donuts. Our pre-packaged options come in multiple and flexible sizes. We are headquartered in Burlington, Iowa with two integrated facilities; The Mt. Pleasant Street Bakery, Inc. and The Jefferson Street Bakery, Inc.

## *Our Name Says it All - We Take Pride in Our Product*

At Baker's Pride, our mission is to offer the best bakery products available. By managing resources efficiently, operating intelligently, and constantly innovating and delivering quality products, we wish to show our customers the true value of partnering with Baker's Pride.

Our customers are our greatest asset. We work to provide you with quality products while simultaneously building a long lasting relationship together. Our teams of hands-on, experienced professional bakers are great at what they do and love doing it. Our passion for baking, combined with our high volume, high speed facilities promise that we can and will deliver every time.

## *Traditional Baking Techniques Meet Modern Baking Technology*

Our baking facilities offer the perfect combination of traditional baking techniques while implementing modern baking technology and processes to meet the needs and preferences of our customers.

## *Certifications*

Our facilities are inspected by the State of Iowa, and FDA. Our Jefferson Street facility is inspected by the American Institute of Baking (AIB) and our Mt. Pleasant Street facility is SQF and Kosher Certified.

## *State-of-the-art Technology*

Our Mt. Pleasant street facility contains high-tech production and packaging systems. All items on our fully automated production lines are closely monitored to ensure quality, freshness and consistency within all designated specifications. We offer a variety of packaging options to satisfy all customer needs.

All of our donuts pass through a -20° F freezer blast prior to being packaged frozen. Once packaged, products are then held at -10° F in a holding freezer. This process produces a product that guarantees consistent quality held to the Baker's Pride highest standard as well as ensures product integrity.

## *'Middle of the Map' Location*

Our Midwest distribution center, located in Burlington, Iowa makes for ease of delivery or pick up from both the East and the West coast. Our facilities are geographically positioned to save your company up to 33% on transportation costs!

## *The Sweet Taste of Satisfaction*
